Poppies of Iraq Brigitte Findakly 2021-04-22 A personal account of an Iraqi childhood Poppies of Iraq is Brigitte Findakly's nuanced tender chronicle of her relationship with her homeland Iraq, co-written and drawn by her husband, the acclaimed cartoonist Lewis Trondheim. In spare and elegant detail, they share memories of her middle class childhood touching on cultural practices, the education system, Saddam Hussein's state control, and her family's history as Orthodox Christians in the arab world. Poppies of Iraq is intimate and wide-ranging; the story of how one can become separated from one's homeland and still feel intimately connected yet ultimately estranged. Signs of an oppressive regime permeate a seemingly normal life: magazines arrive edited by customs; the color red is banned after the execution of General Kassim; Baathist militiamen are publicly hanged and school kids are bussed past them to bear witness. As conditions in Mosul worsen over her childhood, Brigitte's father is always hopeful that life in Iraq will return to being secular and prosperous. The family eventually feels compelled to move to Paris, however, where Brigitte finds herself not quite belonging to either culture. Trondheim brings to life Findakly's memories to create a poignant family portrait that covers loss, tragedy, love, and the loneliness of exile. Poppies of Iraq has been translated from the French by Helge Dascher. Dascher has been translating graphic novels from French and German to English for over twenty years. A contributor to Drawn & Quarterly since the early days, her translations include acclaimed titles such as the Aya series by Marguerite Abouet and Clément Oubrierie, Hostage by Guy Delisle, and Beautiful Darkness by Fabien Vehlmann and Kerascoët. With a background in art history and history, she also translates books and exhibitions for museums in North America and Europe. She lives in Montreal.

Exit Wounds Rutu Modan 2020-07-16 Set in modern-day Tel Aviv, Exit Wounds is the first graphic novel to be published in Britain by one of Israel's best-known cartoonists. A young man, Koby Franco, receives an urgent phone call from a female soldier. Learning that his estranged father may have been a victim of a suicide bombing in Hadera, Koby reluctantly joins the soldier in searching for clues. His death would certainly explain his empty apartment and disconnected phone line. As Koby tries to unravel the mystery of his father's death, he finds himself not only piecing together the last few months of his father's life, but his entire identity. With thin, precise lines and luscious watercolours, Modan creates a portrait of modern Israel, a place where sudden death mingles with the slow dissolution of family ties.

Transnational Perspectives on Graphic Narratives Shane Denson 2013-05-23 Bringing together an international team of scholars, this book charts and analyzes the ways in which comic book history and new forms of graphic narrative have been impacted by aesthetic, social, political, economic, and cultural interactions that reach across national borders in an increasingly interconnected and globalizing world. Exploring the tendencies of graphic narratives - from popular comic book serials and graphic novels to manga - to cross national and cultural boundaries, Transnational Perspectives on Graphic Narratives addresses a previously marginalized area in comics studies. Placing graphic narratives in the global flow of cultural production and reception, the book investigates controversial representations of transnational politics, examines transnational adaptations of superhero characters, and maps many of the translations and transformations that have come to shape contemporary comics culture on a global scale.

Tunnels Rutu Modan 2021-11-02 When a great antiquities collector is forced to donate his entire collection to the Hebrew University in Jerusalem, Nili Broshi sees her last chance to finish an archaeological expedition begun decades earlier—a dig that could possibly yield the most important religious artifact in the Middle East. Motivated by the desire to reinstate her father's legacy as a great archaeologist after he was marginalized by his rival, Nili enlists a ragtag crew—a religious nationalist and his band of hilltop youths, her traitorous brother, and her childhood Palestinian friend, now an archaeological smuggler. As Nili's father slips deeper into dementia, warring factions close in on and fight over the Ark of the Covenant! Backed by extensive research into this real-world treasure hunt, Rutu Modan sets her affecting novel at the center of a political crisis. She posits that the history of biblical Israel lies in one of the most disputed regions in the world, occupied by Israel and contested by Palestine. Often in direct competition, Palestinians and Israelis dig alongside one another, hoping to find the sacred artifact believed to be a conduit to God. Two-time Eisner Award winner Rutu Modan's third graphic novel, Tunnels, is her deepest and wildest yet. Potent and funny, Modan reveals the Middle East as no westerner could. Ishai Mishory is a longtime New York City—and newly Bay Area—based translator and sometimes illustrator. He is currently conducting research for a PhD dissertation on 16th century Italian printing.

Shared Land/Conflicting Identity Robert C. Rowland 2002-12-31 Shared Land/Conflicting Identity: Trajectories of Israeli and Palestinian Symbol Use argues that rhetoric, ideology, and myth have played key roles in influencing the development of the 100-year conflict between first the Zionist settlers and the current Israeli people and the Palestinian residents in what is now Israel. The Israeli-Palestinian conflict is usually treated as an issue of land and water. While these elements are the core of the conflict, they are heavily influenced by the symbols used by both peoples to describe, understand, and persuade each other. The authors argue that symbolic practices deeply influenced the Oslo Accords, and that the breakthrough in the peace process that led to Oslo could not have occurred without a breakthrough in communication styles. Rowland and Frank develop four crucial ideas on social development: the roles of rhetoric, ideology, and myth; the influence of symbolic factors; specific symbolic factors that played a key role in peace negotiations; and the identification and value of criteria for evaluating symbolic practices in any society.

Toward a New Interior Lois Weinthal 2011-10-19 Interior design, as a relatively young discipline within the academic world of design, has historically been interpreted as an extension of other fine arts. Narratives exist, but they all too often treat interior design as a function of architecture or display rather than experience. An independent interior design theory is virtually nonexistent. Professor Lois Weinthal envisions a future where interior design is treated with parity to architecture and industrial design, a future with a new interior. A reader for architects and interior designers, Weinthal has carefully curated a collection of forty-eight essays that will form the foundation of interior design theory and shape future interior space. Her introductory essays illuminate each source, prefacing and directing discussion of the material as it relates to interior design theory. Alluding to Le Corbusier's classic text, she has organized this material into a framework that inspires conversation, marking a break with the past and forming a new vocabulary for the discourse. Contributions to the book's eight sections include essays by David Batchelor, Aaron Betsky, Petra Blaisse, Andrew Blauvelt, Beatriz Colomina, Le Corbusier, Robin Evans, Adolf Loos, Ellen Lupton, Charlotte Perkins Gilman, Michel Serres, Henry Urbach, Wim Wenders, and Mark Wigley.

We Are on Our Own Miriam Katin 2020-08-28 A stunning memoir of a mother and her daughter's

survival in WWII and their subsequent lifelong struggle with faith In this captivating and elegantly illustrated graphic memoir, Miriam Katin retells the story of her and her mother's escape on foot from the Nazi invasion of Budapest. With her father off fighting for the Hungarian army and the German troops quickly approaching, Katin and her mother are forced to flee to the countryside after faking their deaths. Leaving behind all of their belongings and loved ones, and unable to tell anyone of their whereabouts, they disguise themselves as a Russian servant and illegitimate child, while literally staying a few steps ahead of the German soldiers. We Are on Our Own is a woman's attempt to rebuild her earliest childhood trauma in order to come to an understanding of her lifelong questioning of faith. Katin's faith is shaken as she wonders how God could create and tolerate such a wretched world, a world of fear and hiding, bargaining and theft, betrayal and abuse. The complex and horrific experiences on the run are difficult for a child to understand, and as a child, Katin saw them with the simple longing, sadness, and curiosity she felt when her dog ran away or a stranger made her mother cry. Katin's ensuing lifelong struggle with faith is depicted throughout the book in beautiful full-color sequences. We Are on Our Own is the first full-length graphic novel by Katin, at the age of sixty-three.

Toward a Hot Jew Miriam Libicki 2016-09-28 In her first collection of graphic essays, Miriam Libicki investigates what it means globally and culturally to be Jewish, dating from her time in the Israeli military to her tenure as an art professor. Toward a Hot Jew is a new high watermark in autobiographical comics and shows Miriam Libicki as a powerful witness to history in the tradition of Martjane Satrapi and Joe Sacco.

"Modan delights in bringing the subtlest emotional shadings to vivid and often comical life on the page...[The Property is a] wryly funny and ultimately wrenching graphic novel." —NPR The award-winning author of Exit Wounds returns with a story about secrets, money, and the bonds of love The Property is a work that will inspire, fascinate, and delight readers and critics alike. Savvy and insightful, elegant and subtle, Rutu Modan's second full-length graphic novel is a triumph of storytelling and fine lines. After the death of her son, Regina Segal takes her granddaughter Mica to Warsaw, hoping to reclaim a family property lost during the Second World War. As they get to know modern Warsaw, Regina is forced to recall difficult things about her past, and Mica begins to wonder if maybe their reasons for coming aren't a little different than what her grandmother led her to believe. Modan offers up a world populated by prickly seniors, smart-alecky public servants, and stubborn women—a world whose realism is expressed alternately in the absurdity of people's behavior and in the complex consequences of their sacrifices. Modan's ever-present wit is articulated perfectly in her clear-line style, while a subtle, almost muted color palette complements the true-to-life nuances of her characterization. Exit Wounds made a huge splash for this signature combination of wit, style, and realism, and The Property will cement Modan's status as one of the foremost cartoonists working today.

The Mermaid in the Bathtub Nurit Zarchi 2019-10-15 The Mermaid in the Bathtub is a charming, gorgeously retro retelling of Hans Christian Andersen's classic story "The Little Mermaid," by beloved Israeli author and illustrator duo Nurit Zarchi and Rutu Modan. One day, a resolutely ordinary young man named Mr. Whatwillthysay returns home to find Grain-of-Sand, a mermaid, waiting for him in his favorite armchair. Despite his objections, the two embark on a series of very watery adventures as he tries to get rid of her. But ultimately the thought of being seen with half a fish is simply too much for Mr. Whatwillthysay to bear—what would people say? So broken-hearted Grain-of-Sand returns to the sea in his bathtub, leaving Mr. Whatwillthysay to resume his pedestrian existence. Mr. Whatwillthysay soon finds that his beloved landlubber life, however, lacks the splash and shimmer (and bathtub) of his good times with Grain-of-Sand—and acting against all his instincts, he sets off to sea to find her.

The Comics of Rutu Modan Kevin Haworth 2019-03-07 Best known for her Eisner Award-winning graphic novels, *Exit Wounds* and *The Property*, Rutu Modan's richly colored compositions invite readers into complex Israeli society, opening up a world too often defined only by news headlines. Her strong female protagonists stick out in a comics scene still too dominated by men, as she combines a mystery novelist's plotting with a memoirist's insights into psychology and trauma. *The Comics of Rutu Modan: War, Love, and Secrets* conducts a close reading of her work and examines her role in creating a comics arts scene in Israel. Drawing upon archival research, Kevin Haworth traces the history of Israeli comics from its beginning as 1930s cheap children's stories, through the counterculture movement of the 1970s, to the burst of creativity that began in the 1990s and continues full force today. Based on new interviews with Modan (b. 1966) and other comics artists, Haworth indicates the key role of *Actus Tragicus*, the collective that changed Israeli comics forever and launched her career. Haworth shows how Modan's work grew from experimental minicomics to critically acclaimed graphic novels, delving into the creative process behind *Exit Wounds* and *The Property*. He analyzes how the recurring themes of family secrets and absence weave through her stories and how she adapts the famous clear line illustration style to her morally complex tales. Though still relatively young, Modan has produced a remarkably varied oeuvre. Identifying influences from the United States and Europe, Haworth illustrates how Modan's work is global in its appeal, even as it forms a core of the thriving Israeli cultural scene.

Her second book, *Rolling Blackouts*, which documents her experience shadowing journalists in Turkey, Iraq, Lebanon, and Syria, will also come out this fall from Drawn & Quarterly.

Not the Israel My Parents Promised Me Harvey Pekar 2014-07-01 In *Not the Israel My Parents*

Promised Me, one of the final graphic memoirs from the man who defined the genre, Harvey Pekar explores what it means to be Jewish and what Israel means to the Jews. Pekar's mother was a Zionist by way of politics, his father by way of faith, and he inevitably grew up a staunch supporter of Israel. But as he became attuned to the wider world, Pekar began to question his parents' most fundamental beliefs. This book is the full account of that questioning. Over the course of a single day in his hometown of Cleveland, Ohio, Pekar and the illustrator JT Waldman wrestle with the mythologies passed down to them, weaving a personal and historical odyssey of uncommon wit and power. With an epilogue written by Joyce Brabner, *Not the Israel My Parents Promised Me* is an essential book for fans of Harvey Pekar and anyone interested in the past and future of the Jewish state.

Documenting Trauma in Comics Dominic Davies 2020-06-15 Why are so many contemporary comics and graphic narratives written as memoirs or documentaries of traumatic events? Is there a specific relationship between the comics form and the documentation and reportage of trauma? How do the interpretive demands made on comics readers shape their relationships with traumatic events? And how does comics' documentation of traumatic pasts operate across national borders and in different cultural, political, and politicised contexts? The sixteen chapters and three comics included in *Documenting Trauma in Comics* set out to answer exactly these questions. Drawing on a range of historically and geographically expansive examples, the contributors bring their different perspectives to bear on the tangled and often fraught intersections between trauma studies, comics studies, and theories of documentary practices and processes. The result is a collection that shows how comics is not simply related to trauma, but a generative force that has become central to its remembrance, documentation, and study.

The Cage Martin Vaughn-James 2013-10-07 First published in 1975, *The Cage* was a graphic novel before there was a name for the genre. Considered an early masterpiece of the genre, the Canadian cult comic has been out of print for decades. The new edition includes an introduction by Canadian comics master and Lemony Snicket collaborator Seth (Palookaville; *It's a Good Life, If You Don't Weaken*). Cryptic and disturbing, like Dave Gibbons (*Watchmen*) illustrating a film by Ozu, *The Cage* spurns narrative for atmosphere, guiding us through a series of disarrayed rooms and desolate landscapes, tracking a stuttering and circling time and a sequence of objects: headphones, inky stains, bedsheets. It's not about where we're going but how - if - we get there.

Off Season James Sturm 2021-05-10 A visceral story that you can see, taste, and feel. How could this happen? The question of 2016 becomes deeply personal in James Sturm's riveting graphic novel *Off Season*, which charts one couple's divisive separation during Bernie Sanders's loss to Hillary Clinton, Clinton's loss to Donald Trump, and the disorienting months that followed. We see a father navigating life as a single parent and coping with the disintegration of a life-defining relationship. Amid the upheaval lie tender moments with his kids—a sleeping child being carried in from the car, Christmas-morning anticipation, a late-night cookie after a temper tantrum—and fallible humans drenched in palpable feelings of grief, rage, loss, and overwhelming love. Using anthropomorphized characters as a tactic for tempering an otherwise emotionally fraught situation, *Off Season* is unaffected and raw, steeped in the specificity of its time while speaking to a larger cultural moment. A truly human experience, *Off Season* displays Sturm's masterful pacing and storytelling combined with conscious and confident growth as the celebrated cartoonist and educator moves away from historical fiction to deliver this long-form narrative set in contemporary times. Originally serialized on Slate, this expanded edition turns timely vignettes into a timeless, deeply affecting account of one family and their off season.

Gender and Sexuality in Israeli Graphic Novels Matt Reingold 2021-07-14 This book explores how Israeli graphic novelists present depictions of masculinity and femininity that differ from conventional portrayals of gender in Israeli society, rejecting the ways that hypermasculinity and docile femininity have come to be associated with men and women. The book is the first to explore Israeli graphic novels through the lens of gender. It argues that breaking down existing gender delineations with regards to masculinity and femininity is a core feature of the Israeli graphic novel and comics tradition and that through their works, the authors and artists use their platforms to present a freer and looser conceptualization of gender for Israeli society. Undertaking close readings of Israeli graphic novels that have been published in English and/or Hebrew in the last 20 years, the book's texts include Rutu Modan's *Exit Wounds* and *The Property*, Ari Folman and David Polonsky's *Waltz with Bashir*, Galit and Gilad Seliktar's *Farm 54*, and Asaf Hanuka's "The Realist". This book is of interest to students and scholars in comics studies, Israel Studies, Jewish Studies, and Gender Studies.
