**God's Feminist Movement** Amber Picota  
2016-07-19 Experience True Liberation by

Seeing Your Beauty, Femininity, and Freedom From Heavens Point of View Has Christianity kept women trapped in the stone age? In many ways, yes; but this is not by Gods design. As society offers women opportunities to explore outer-space and govern nations, the church often stifles and limits them. The tide is changing, though. Amber Picotas Gods Feminist Movement is a new covenant manifesto calling women to embrace their true identity in Christ and fulfill their destiny as revolutionaries who shape the course of history with the Kingdom of God. There is a powerful new feminist movement emerging in the body of Christ. Its not politically driven and its not being championed by an uprising of angry man-haters. Based on an intense study of Scripture, factoring in historical and contextual hermeneutics and original languages, Picota shares a practical, non-legalistic, and non-traditional (yet deeply Biblical) look at topics that women commonly face, such as: Dating and Modesty Female Leaders in the Church Submission in Marriage Beauty and Self-Image Celebrate the power and beauty of womanhood. God has given you permission to change the world by being you! Break off religious traditions that keep women trapped in old school legalism and move beyond Christian clichés that minimize a womans true position in Christ!

Driving Over Lemons Chris Stewart

2007-12-18 No sooner had Chris Stewart set eyes on El Valero than he handed over a check. Now all he had to do was explain to Ana, his wife that they were the proud owners of an isolated sheep farm in the Alpujarra Mountains in Southern Spain. That was the easy part. Lush with olive, lemon, and almond groves, the farm lacks a few essentials—running water, electricity, an access road. And then there's the problem of rapacious Pedro Romero, the previous owner who refuses to leave. A perpetual

optimist, whose skill as a sheepshearer provides an ideal entrée into his new community, Stewart also possesses an unflappable spirit that, we soon learn, nothing can diminish. Wholly enchanted by the rugged terrain of the hillside and the people they meet along the way—among them farmers, including the ever-resourceful Domingo, other expatriates and artists—Chris and Ana Stewart build an enviable life, complete with a child and dogs, in a country far from home.
