Synonymous with practical travel tips, quality writing and a trustworthy 'tell it like it is' ethos, the Rough Guides list includes more than 260 travel guides to 120+ destinations, gift-books and phrasebooks.

**The Marches**
Rory Stewart 2016-11-22 This father-and-son trek through the history and landscape of the United Kingdom is “a sensitive exploration of what borders mean and don’t mean” (The Wall Street Journal). In The Places in Between, Rory Stewart walked some of the most dangerous borderlands in the world. Now he travels with his eighty-nine-year-old father—a comical, wily, courageous, and infuriating former British intelligence officer—along the border they call home. On Stewart’s four-hundred-mile walk across a magnificent natural landscape, he sleeps on mountain ridges and in housing projects, in hostels and farmhouses. With every fresh encounter—from an Afghanistan veteran based on Hadrian’s Wall to a shepherd who still counts his flock in sixth-century words—Stewart uncovers more about the forgotten peoples and languages of a vanished country, now crushed between England and Scotland. Stewart and his father are drawn into unsettling reflections on landscape, their parallel careers in the bygone British Empire and Iraq, and the past, present, and uncertain future of the United Kingdom. And as the end approaches, the elder Stewart’s stubborn charm transforms this chronicle of nations into a fierce, exuberant encounter between a father and a son. [Stewart] anchors his lively mix of history, travelogue, and reportage on local communities in a vibrant portrait of his father, who was both a tartan-wearing Scotsman and a thoroughly British soldier and diplomat.”—Publishers Weekly
“Stewart brings a humane empathy to his encounters with people and landscape.”—The Washington Post
“An unforgettable tale.” —National Geographic

**A History of the British Isles**
Kenneth L. Campbell 2017-01-26 CHOICE Outstanding Academic Title 2017
A History of the British Isles is a balanced and integrated political, social, cultural and religious history of the British Isles in all its complexity, exploring the constantly evolving dialogue and relationship between the past and the present. A wide range of topics and questions are addressed for each period and territory discussed, including England’s Wars of the Roses of the 15th century and their influence on court politics during the 16th century; Ireland’s Rebellion of 1798, the Potato Famine of the 1840s and the Easter Rising of 1916; the two World Wars and the Great Depression; British cultural and social change during the 1960s; and the history and future of the British Isles in the present day. Kenneth Campbell integrates the histories of England, Ireland, Scotland, and Wales by exploring common themes and drawing on comparative examples, while also demonstrating how those histories are different, making this a genuinely integrated text. Campbell’s approach allows readers to appreciate the history of the British Isles not just for its own sake, but for the purposes of understanding our current political divisions, our world and ourselves.

*After Flodden*
Rosemary Goring 2013-06-06 Patrick Paniter was James IV’s right-hand man, a diplomatic genius who was in charge of the guns at the disastrous battle of Flodden in September 1513 in which the English annihilated the Scots. After the death of his king he is tormented by guilt as he relives the events that led to war. When Louise Brenier, daughter of a rogue sea trader, asks his help in finding out if her brother Benoit was killed in action, it is the least he can do to salve his conscience. Not satisfied with the news he brings, Louise sets off to find out the truth herself, and swiftly falls foul of one of the lawless clans that rule the ungovernable borderlands. After Flodden is a novel about the consequences of the battle of Flodden, as seen through the eyes of several characters who either had a hand in bringing the country to war, or were profoundly affected by the outcome. There have been very few novels about Flodden, despite its significance,and none from this perspective. It’s a racy adventure, combining political intrigue and romance, and its readership will be anyone who loves historical fiction, or is interested in the history of Scotland and the turbulent, ungovernable borderlands between Scotland and England.

**Scotland**
Magnus Magnusson 2003
A vivid, comprehensive history of Scotland ranges from its earliest Stone Age settlers, through the influence of the many invaders—Romans, Picts, Vikings, and the English—on the country, to recent movements to promote Scottish independence from Britain, documenting the political, cultural, economic, and other forces that have shaped the nation. Reprint.

Spending less than two weeks in Scotland? Hit the highlights with Rick Steves Best of Scotland.

**The Other Adam Smith**
Mike Hill 2014-10-29 The Other Adam Smith represents the next wave of critical thinking about the still under-examined work of this paradigmatic Enlightenment thinker. Not simply another book about Adam Smith, it allows and even necessitates his inclusion in the realm of theory in the broadest sense. Moving beyond his usual economic and moral philosophical texts, Mike Hill and Warren Montag take seriously Smith’s entire corpus, his writing on knowledge, affect, sociability and government, and political economy, as constituting a comprehensive—though highly contestable—system of thought. We meet not just Smith the economist, but Smith the philosopher, Smith the literary critic, Smith the historian, and Smith the anthropologist. Placed in relation to key thinkers such as Hume, Lord Kames, Fielding, Hayek, Von Mises, and Agamben, this other Adam Smith, far from being localized in the history of eighteenth-century economic thought or ideas, stands at the center of the most vibrant and contentious debates of the twentieth and twenty-first centuries.

*Scotland*
Alistair Moffat 2015-09-22 ‘Alistair Moffat’s Bannockburn is a pacy account of the days leading up to the battle’ - Saturday Herald
‘A carefully considered account of a well-trodden historical event, Moffat enlightens and educates with an up-to-date interpretation of a battle firmly cemented in Scottish history’ - Scottish Field
‘Mr Moffat’s account of the duel between Bruce and de Bohun is totally gripping and he is particularly enthralling about the councils of war onthe eve of the second day’s battle’ - Country Life
From the Ice Age to the recent Scottish Referendum, historian and author Alistair Moffat explores the history of the Scottish nation. As well as focusing on key moments in the nation’s history such as the Battle of Bannockburn and the Jacobite Risings, Moffat also features other episodes in history that are perhaps less well documented. From prehistoric timber halls to inventions and literature, Moffat’s tale explores the drama of battle, change, loss and invention interspersed with the lives of ordinary Scottish folk, the men and women who defined a nation.

**Western Europe 2020-2022**
2021-09-15 Western Europe 2020-2022 provides students with vital information on all countries on the African continent through a thorough and expert overview of political and economic histories, current events, and emerging trends.

*England*
Jon E. Lewis 2005 Fountainhead of democracy, engine of the Industrial Revolution, epicentre of the globe's greatest empire and the first-ditch stand against an expansionist Germany in two world wars- England's history is among the most fascinating and influential the world has ever known. This unique volume presents that history in unique form- first-hand, through the words of those who saw it and those who made it. All the great events of the last 2,000 years are here- the Norman Conquest, Magna Carta, the Peasants' Revolt, Henry VIII's break with Rome, the Great Fire of London, Nelson at Trafalgar, two world wars. Alongside these are the less obvious happenings which together capture the nation's social history, such as the Black Death of 1349 or life as a chimney sweep in 1817. And of course there are the things that have shaped the nature of 'Englishness', like theatreging in Elizabethan London, fox hunting in 1898, Oates's self-sacrifice at the South Pole, the Beatles and the 1966 World Cup.

**Scotland: Her Story**
Rosemary Goring 2019-09-19 A landmark publication: the first-ever history of Scotland told from the perspective of women - the half of history that we forgot
*Devorgilla Days*
Kathleen Hart 2021-05-27 AN INSPIRING STORY OF STARTING OVER ‘We all need a Devorgilla Cottage somewhere in our hearts’ - KIRSTY WARK ‘Beautifully written’ - ALEXANDER ARMSTRONG ‘A magical and beautifully written memoir and so evocative of Wigtown and its landscape’ - RUTH HOGAN This is a story about uncovering the things that really matter, and discovering what makes us feel alive. It is a story about finding that inner strength and resilience, and never giving up hope. Eight years ago, Kathleen Hart was diagnosed with breast cancer. Further complications led to a protracted recovery and months spent in hospital, where Kathleen had to learn how to walk again. While recuperating, she came across a small whitewashed cottage for sale in Wigtown, Scotland. Driving hundreds of miles on nothing more than a few photographs and an inkling, she bought it that very same day, and named it Devorgilla after the formidable 13th century Scottish princess. Devorgilla Days is the story of how Kathleen left behind her old life to begin again in Scotland’s book capital. From renovating her cottage to exploring the seemingly quiet, but actually bustling town, she encounters a whole community of book lovers, beekeepers, artists and writers - and Lobster Fishermen. Kathleen starts wild swimming, a ritual that brings peace and clarity to her mind as her body heals. And, with the support of her virtual worldwide community who know her as PoshPedar on Instagram, she rebuilds her life again. Heartwarming and deeply moving, Devorgilla Days is an inspiring tale of one woman’s remarkable journey, a celebration of community, and a call-to-arms for anyone who has ever dreamt of starting over.

*A History Of Scotland*
Neil Oliver 2009-12-17 The dramatic story of Scotland - by charismatic television historian, Neil Oliver. Scotland is one of the oldest countries in the world with a vivid and diverse past. Yet the stories and figures that dominate Scottish history - tales of failure, submission, thwarted ambition and tragedy - often badly serve this great nation, overshadowing the rich tapestry of her intricate past. Historian Neil Oliver presents a compelling new portrait of Scottish history, peppered with action, high drama and centuries of turbulence that have helped to shape modern Scotland. Along the way, he takes in iconic landmarks and historic architecture; debunks myths surrounding Scotland’s famous sons; recalls forgotten battles; charts the growth of patriotism; and explores recent political developments, capturing Scotland’s sense of identity and celebrating her place in the wider world.

Available in both print and e-book formats and priced low to fit student budgets.

*My Heart is My Own*
John Alexander Guy 2004 This book is a reinterpretation of the life of Mary, Queen of Scots. John Guy returns to the archives to explode the myths and correct the inaccuracies that surround this most fascinating monarch. He also explains a central mystery: why Mary would have consented to marry - only three months after the death of her second husband, Lord Darnley - the man who was said to be his killer, the Earl of

Bothwell. He also solves, through careful re-examination of the Casket Letters, the secret behind Darnley’s spectacular assassination at Kirk o’Field.

*The Hidden Ways*
Alistair Moffat 2017-10-05 Shortlisted for the Edward Stanford Travel Writing Awards
In The Hidden Ways, Alistair Moffat traverses the lost paths of Scotland. Down Roman roads tramped by armies, warpaths and pilgrim routes, drove roads and rail roads, turnpikes and sea roads, he traces the arteries through which our nation’s lifeblood has flowed in a bid to understand how our history has left its mark upon our landscape. Moffat’s travels along the hidden ways reveal not only the searing beauty and magic of the Scottish landscape, but open up a different sort of history, a new way of understanding our past by walking in the footsteps of our ancestors. In retracing the forgotten paths, he charts a powerful, surprising and moving history of Scotland through the unremembered lives who have moved through it.

Philip Marsden 2020-05-07 A journey by sea along the western coasts of Ireland and Scotland in search of islands, both real and imagined.

*Scotland: The Autobiography*
Rosemary Goring 2008-05-29 Now in a revised edition with extra material and a new introduction for 2014. ‘In a year which will see the Scots vote on independence, this book is a timely reminder of their country’s fascinating past’
Independent ‘History caught on the hoof and the wing by those who were actually there - a brilliant selection’
Andrew Marr A vivid, wide-ranging and engrossing account of Scotland’s history, composed of eye-witness accounts by those who experienced it first-hand. Contributors range from Tacitus, Mary Queen of Scots and Oliver Cromwell to Adam Smith, David Livingstone and Billy Connolly. These include key historic moments - ranging from Bannockburn and Flodden to the SNP parliamentary victory in 2007 - along with a vast array of wonderfully readable insights into the everyday life of Scotland through the millennia. This is living, accessible history told by crofters, criminals, servants, house-wives, poets, journalists, nurses, politicians, novelists, prisoners, comedians, sportsmen and many more. ‘An unqualified triumph, superb, a real page-turner . . . what a stirring, dramatic, poignant story it has been! Alexander McCall Smith, Spectator
‘Fascinating and very valuable. Goring gives us vivid snapshots of Scottish life and history from Neolithic times . . . should find a place in every Scottish home!’ Allan Massie, Scotsman
Rosemary Goring took a degree in Economics and Social History at St Andrews University. She started her career in publishing in the role of in-house editor for Chambers Biographical Dictionary and has since edited and written for many reference books, among them the Larousse Dictionaries of Writers and Literary Characters. She was Literary Editor of Scotland on Sunday for several years before becoming Literary Editor of the Herald.

*A Pocket Guide to Writing in History*
Mary Lynn Rampolla 2012-01-20 An essential writing, reading, and research tool for all history students, A Pocket Guide to Writing in History offers a best-selling combination of concise yet comprehensive advice in a portable and accessible format. This quick-reference guide provides a practical introduction to typical history assignments, exercising critical reading skills, evaluating and documenting sources, writing effective history papers, conducting research, and avoiding plagiarism. Building on its time-tested approach, the seventh edition offers expanded, hands-on guidance for writing and researching in the digital age, and additional coverage on working with primary and secondary sources.

**A History of Scotland**
Allan I. Macinnes 2018-09-27 This illuminating and insightful guide offers a comprehensive overview of Scottish history, from the kingdom’s genesis in the ninth century to the independence debates of the present day. Considering both internal dynamics and international horizons, Allan Macinnes asserts Scotland’s heritage as significant and compelling in its own right, rather than reducing it to an offshoot of England’s past. Rigorous and wide-ranging, this textbook is an essential companion for undergraduate and postgraduate and postgraduate students of History. Its lively and accessible style makes it suitable for anyone with an interest in Scotland’s national development.

**SilverSmith**
Neil Drysdale 2011-07-01 ‘Walter has football running through his veins. What he has achieved is remarkable and I have huge respect for him’ - Sir Alex Ferguson
‘A timely and sympathetic portrait of the veteran boss’ - BBC Sportsound
Walter Smith is one of the most successful and respected managers in the history of Scottish football. Best known for steering Rangers to their nine-in-a-row success in the SPL during the 1990s, he enjoyed spells at Everton and Manchester United before proving his powers as a resurrection man by reviving the Scotland national team’s fortunes in the aftermath of the calamitous Berti Vogts reign. In 2007 he returned to Ibrox, where he steered his beloved club to a fresh crop of silverware before bowing out at the top in May 2011. SilverSmith is the definitive biography of Walter Smith’s fascinating life and career. This new edition has been fully revised and updated and covers all the scandals, scraps and stramashes which erupted as Smith and Celtic’s Neil Lennon became embroiled in a dramatic tussle for the 2010-11 SPL crown, which stretched all the way to the campaign’s final day.

*Queen of Scots*
John Alexander Guy 2005
A new historian of Mary Queen of Scots draws on new sources to shatter various myths surrounding this odd monarch and uncover some of the scandals and political machinations underpinning, and undermining, her throne. Winner of the Whitbread Award for Biography. Reprint.

**Dacre’s War**
Rosemary Goring 2015-06-16 Praise for After Flodden ‘A swashbuckling tale in the best tradition of adventure fiction ... charged with melancholy and menace’ - Times
‘A highly readable tale that beautifully evokes the chaos in the aftermath of the disastrous battle’ - Scottish Field
‘A well-crafted tale which drives forward with unremitting pace’ - Scotland on Sunday
‘Very good indeed, and hugely enjoyable!’ - Allan Massie, Scotsman
‘A compelling story that weaves deftly amongst historical fact and fiction’ - We Love This Book
[A] beautiful and highly acclaimed debut novel’ - Observer
‘A fast-paced adventure story that will delight fans of the genre’ - The Lady
‘Goring has a fine story to tell, a keen sense of place, and the ability to evoke mood. It’s a compelling and gripping novel’ - Scotsman
Dacre’s War is a story of personal and political vengeance. Ten years after the battle of Flodden, Adam Crozier, head of his clan and of an increasingly powerful alliance of Borderers, learns for sure that it was Lord Thomas Dacre - now the most powerful man in the north of England - who ordered his father’s murder. He determines to take his revenge. As a fighting man, Crozier would like nothing better than to bring Dacre down face to face but his wife Louise advises him that he must use more subtle methods. So he sets out to engineer Dacre’s downfall by turning the machinery of the English court against him. A vivid and fast-moving tale of political intrigue and heartache, Dacre’s War is set against the backdrop of the Scottish and English borders, a land where there is never any chance of peace.

**The Battle for Scotland**
Andrew Marr 2013 ‘Andrew Marr’s first book tells the distinctive story of Scottish politics - now updated with a new introductory chapter. ‘We may be about to see a new country - indeed, two new countries, - emerging on these islands. Half a lifetime ago, I sat down to write this book as a work of history. As it’s aged, it’s become current affairs.’
Just twenty years ago it seemed impossible that Scotland would ever get home role, let alone full independence. Yet very soon there will be a Scottish referendum which will not only decide on this matter but which will have profound consequences for the future of all people on these islands. In The Battle for Scotland, first published in 1992, Andrew Marr provides the historical backdrop to these extraordinary events. He attempts to explain the deep sources of Scottish national feeling and the political will which has brought us to this deeply uncertain time. And in a substantial new introduction, Marr considers how we got here so suddenly, what the stakes really are and what the questions every voting Scot (and every non-voting UK citizen) will be asking themselves. Andrew Marr was born in Glasgow. He graduated from Cambridge University and has enjoyed a long career in political journalism, working for the Scotsman, the Independent, the Economist, the Express and the Observer. From 2000 to 2005 he was the BBC’s Political Editor. Andrew’s broadcasting includes series on contemporary thinkers for BBC 2 and Radio 4, political documentaries for Channel 4 and BBC Panorama, and Radio 4’s ‘Start The Week’"--Publisher's description.

**Three Things You Need to Know About Rockets**
Jessica A. Fox 2013-08-27 In this inspiring, delightful memoir, a young woman decides to escape the daily grind and turn her “what if” fantasy into a reality, only to find work—and a man—she loves in one fell swoop, all in a secondhand bookstore in a quaint Scottish town. Jessica Fox was living in Hollywood, an ambitious 26-year-old film-maker with a high-stress job at NASA. Working late one night, craving another life, she was seized by a moment of inspiration and tapped “second hand bookshop Scotland” into Google. She clicked the first link she saw. A month later, she arrived 2,000 miles across the Atlantic in Wigtown, on the west coast of Scotland, and knocked on the door of the bookshop she would be living in for the next month . . . The rollercoaster journey that ensued—taking in Scottish Hanukkah, yoga on Galloway’s west coast, and a waxing that she will never forget—would both break and mend her heart. It would also teach her that sometimes we must have the courage to travel the path less taken. Only then can we truly become the writers of our own stories.

*Mary Queen of Scots*
John Guy 2018-11-27 Soon to be a major motion picture from Focus Films, a biography, “as enthralling as a detective story.” (New York Times) of the woman who reigned over sixteenth-century Scotland.
**Scotland: An Autobiography**
Rosemary Goring 2009-12-29 A vivid, wide-ranging, and engrossing account of Scotland’s history, composed of timeless stories by those who experienced it first-hand. Contributors range from Tacitus, Mary, Queen of Scots, and Oliver Cromwell to Adam Smith, David Livingstone, and Billy Connolly. These include not only historic moments-from Bannockburn to the opening of the new Parliament in 1999-but also testimonies like that of the eight-year-old factory worker who was dangled by his ear out of a third-floor window for making a mistake, the survivors of the 1746 Battle of Culloden, who wished perhaps that they had died on the field, John Logie Baird, inventor of television, and great writers including Conan Doyle, Robert Louis Stevenson, and the editor of Encyclopaedia Britannica. From the battlefield to the sports field, this is living, accessible history told by criminals, servants, housewives, poets, journalists, nurses, prisoners, comedians, and many more.

**Western Europe 2015-2016**
Wayne C. Thompson 2015-08-13 The World Today Series: Western Europe is an annually updated presentation of each sovereign country in Western Europe, past and present. It is organized by individual chapters for each country expertly covering the region’s geography, people, history, political system, constitution, parliament, decentralization and states if a federation, parties, political leaders and elections. There are also sections on foreign and defense policy, economy, culture, future and a comprehensive bibliography. The combination of factual accuracy and up-to-date detail along with its informed projections make this an outstanding resource for researchers, practitioners in international development, media professionals, government officials, potential investors and students. Now in its 33rd edition, the content is thorough yet perfect for a one-semester introductory course or general library reference. Available in both print and e-book formats and priced low to fit student budgets.

**Western Europe 2014**
Wayne C. Thompson 2014-07-24 The World Today Series: Western Europe is an annually updated presentation of each sovereign country in Western Europe, past and present. It is broken down into individual chapters on each country dealing with its geography, people, history, political system, constitution, parliament, decentralization and states if a federation, parties, political leaders and elections. There are also sections on foreign and defense policy, economy, culture, future and a lengthy bibliography.
