The Cambridge Companion
to Ancient Ethics

Christopher Bobonich

2017-07-31 The field of ancient Greek ethics is increasingly emerging as a major branch of philosophical enquiry, and students and scholars of ancient philosophy will find this Companion to be a rich and invaluable guide to the themes and movements which characterised the discipline from the Pre-Socratics to the Neo-Platonists. Several chapters are dedicated to the central figures of Plato and Aristotle, and others explore the ethical thought of the Stoics, the Epicureans, the Skeptics, and Plotinus. Further chapters examine important themes that cut across these

schools, including virtue and happiness, friendship, elitism, impartiality, and the relationship between ancient eudaimonism and modern morality. Written by leading scholars and drawing on cutting-edge research to illuminate the questions of ancient ethics, the book will provide students and specialists with an indispensable critical overview of the full range of ancient Greek ethics.

A Cry From the Dead

James Guthrie 2018-01-21
Excerpt from A Cry From the Dead: Consisting of the Justly Celebrated

Mr. James Guthrie's Last Sermon, Preached at Stirling, Before His Martyrdom at Edinburgh, in June, 1661, With His Last Speech on the Scaffold, and Ten Considerations Anent the Decay of Religion, From 1650 to 1660 That the same spirit of God, and of glory, which enabled the worthy author of the following papers to contend unto death, for the royal prerogatives of his great Master, the only Head, King, and Law-giver of his church, may, in the perusal of the following testimonies, enter into the soul of every reader, is the prayer and desire of him who is thine in the work of the gospel of Christ Jesus. Who God Says You Are

Klyne R. Snodgrass

2018-01-08 WHO ARE YOU?

For respected New Testament scholar Klyne Snodgrass, this is the most important question a person can ask—the question from which everything else in life flows. Other questions follow: What made you who you are? Who gets to say who you are? And—perhaps most vital—Who does God say you are? In this book Snodgrass offers wise guidance to all who are wrestling with such universal human questions. He examines nine factors—including one's body, personal history, commitments, and boundaries—that shape human identity, and he expertly draws out what the Bible tells

us about who God says we are, how we fit within God's purposes, and how our God-given identity can and must impact the way we live our lives.

Ante-Nicene Christian Library: The Apostolic fathers (1870) Sir James Donaldson 1903

On the Death of Satyrus Postmortem Opportunity

James Beilby 2021-03-23

What happens to those who did not hear the gospel before death, or who heard an incorrect version? What about those who were too young or who were otherwise unable to respond?

Examining the biblical evidence and assessing the theological implications, James Beilby offers a careful consideration of the possibility for salvation after death.

Gender and Climate

Change Joane Nagel

2015-09-25 Does gender
matter in global climate
change? This timely and
provocative book takes
readers on a guided tour
of basic climate
science, then holds up a
gender lens to find out
what has been overlooked
in popular discussion,
research, and policy
debates. We see that,
around the world, more
women than men die in
climate-related natural
disasters; the history
of science and war are
intimately interwoven
masculine occupations

and preoccupations; and
conservative men and
their interests drive
the climate change
denial machine. We also
see that climate
policymakers who embrace
big science approaches
and solutions to climate
change are predominantly
male with an ideology of
perpetual economic
growth, and an agenda
that marginalizes the
interests of women and
developing economies.
The book uses vivid case
studies to highlight the
sometimes surprising
differential, gendered
impacts of climate
changes.

The Book of the Dead

John Mitchinson

2010-09-07 The team behind the New York Times bestseller *The Book of General Ignorance* turns conventional biography on its head—and shakes out the good stuff. Following their Herculean—or is it Sisyphean?—efforts to save the living from ignorance, the two wittiest Johns in the English language turn their attention to the dead. As the authors themselves say, “The first thing that strikes you about the Dead is just how many of them there are.” Helpfully, Lloyd and Mitchinson have employed a simple—but ruthless—criterion for inclusion: the dead person has to be interesting. Here, then, is a dictionary of the dead, an encyclopedia of the embalmed. Ludicrous in scope, whimsical in its arrangement, this

wildly entertaining tome presents pithy and provocative biographies of the no-longer-living from the famous to the undeservedly and—until now—permanently obscure. Spades in hand, Lloyd and Mitchinson have dug up everything embarrassing, fascinating, and downright weird about their subjects’ lives and added their own uniquely irreverent observations. Organized by capricious categories—such as dead people who died virgins, who kept pet monkeys, who lost limbs, whose corpses refused to stay put—the dearly departed, from the inventor of the stove to a cross-dressing, bear-baiting female gangster finally receive the epitaphs they truly deserve. Discover: * Why Freud had a lifelong fear of trains * The one thing that really made Isaac

Newton laugh * How Catherine the Great really died (no horse was involved) Much like the country doctor who cured smallpox (he's in here), Lloyd and Mitchinson have the perfect antidote for anyone out there dying of boredom. The Book of the Dead—like life itself—is hilarious, tragic, bizarre, and amazing. You may never pass a graveyard again without chuckling.

Generous Justice Timothy Keller 2010-11-02

Renowned pastor and bestselling author of *The Prodigal Prophet* Timothy Keller shares his most provocative and illuminating message yet. It is commonly thought in secular society that the Bible is one of the greatest hindrances to doing justice. Isn't it full of regressive views? Didn't it condone slavery? Why look to the

Bible for guidance on how to have a more just society? But Timothy Keller challenges these preconceived beliefs and presents the Bible as a fundamental source for promoting justice and compassion for those in need. In *Generous Justice*, he explores a life of justice empowered by an experience of grace: a generous, gracious justice. This book offers readers a new understanding of modern justice and human rights that will resonate with both the faithful and the skeptical.
