**A Modern Jewish Perspective on the  
Gospel of John** Charles David Isbell  
2022-06-08 Did Jesus really call the  
Jews of his day children of the

devil? Would he label Jews of today the same way? Did the Jews kill Jesus and then violently expel from the synagogue anyone who accepted him as a promised Messiah? The Christian church has found answers to these and other similar questions in the Gospel of John. But Jewish readers are justifiably offended by many of John's answers. The eleven essays offered here present facts everyone should know. They are written by a modern Jewish scholar responding to troubling questions about John raised over a period of more than forty years by his university students, by congregants in synagogues he has served as spiritual guide (rabbi), and by Christian colleagues with whom he has worked throughout his long career. Designed to engage thoughtful readers from every religious

background, these essays encourage questions and suggest plausible answers to the problems in John by illustrating the difference between the answers of John and the facts of history. They also compare John's Jesus with the teachings of the modern church about the treatment of "others," love for all humanity, and the wholeness of body and spirit.

**The Rest of the Gospel** 2015-10-28

Having God's forgiveness is wonderful. Spending eternity with God is great. But for now, where is the abundant life Jesus promised? Why is the Christian life such a struggle? Because getting forgiven is only half of the gospel. The rest of the gospel is not us striving on our own to be good Christians, but Christ in us, living His life through us as we rest in him.

**Christianity and Alcoholics Anonymous**

David L. Simmons 2012-09 Defense of the Gospel None could deny that A.A. has taught hundreds of thousands of alcoholics to live in continuous sobriety. But a bigger question is, "By what means—and with what consequences—does A.A. accomplish this minor miracle?" Could we, for example, lay A.A. literature side by side with Scripture and conclude the two are in steady harmony? Or could it actually be possible that they contradict one another? And if that were the case, would we be wise to point to our continued sobriety as proof we have also been reconciled with God? By contrasting what Scripture has to say on the subject of addiction, this book will uncover

A.A.'s teachings at great depth. Simultaneously it will help you to precisely diagnose the deception of Alcoholics Anonymous. Followers of Christ, A.A. members, and their families can ill afford to miss dozens of eye-opening revelations as David Simmons delivers his compassionate message of hope. See to it that no one takes you captive through philosophy... Colossians 2:8 In this is love, not that we loved God, but that He loved us and sent His Son to be the propitiation for our sins. 1 John 4:10

*Divining Gospel* Jeff W. Childers  
2020-03-23 Ancient manuscripts of John's Gospel containing hermeneiai have long puzzled scholars, provoking debate about their origins, purpose, and use. The fragmentary nature of the early evidence has impeded progress towards a better understanding of these specialized books. The present study shows that these books are "Divining Gospels"—editions of John's Gospel incorporating lot divination materials for use in fortune-telling. The study centers on material presented here for the first time: the text and translation of a unique sixth-century Syriac manuscript, the earliest and most complete example of a hermeneia Gospel. An analysis of the Syriac along with evidence from Greek, Coptic, Latin, and Armenian

versions show they all preserve vestiges of the same apparatus, disseminated widely at an early time throughout many different Christian communities. These books must be situated squarely within the development of divinatory practices in early and late antique Christianity. However, they represent a true hermeneutic, a method by which interpreters brought the potency of the Bible to bear on the everyday concerns of people who consulted them for help. Furthermore, the *Divining Gospel* draws on the special aura that John's Gospel held in the Christian imagination, both as text and as textual object. An analysis of the interplay between the biblical text and sacred codex, the oracles, the ritual practitioner, and the client enrich our appreciation of this

distinctive hermeneutic.  
Contextualizing these materials in popular use illuminates the fraught relationships between the ecclesial establishment, ritual experts operating on the margins of orthodox respectability, and lay clients seeking knowledge and help.

Gift Upon Gift Dr. Sherri Brown  
2010-08-11 This study builds upon recent scholarship exploring the significance of the Old Testament covenant metaphor in the Johannine writings. By examining the Gospel of John as a whole through a narrative lens and focusing on several key dialogues, the author sheds light on the dialogical nature of the revelatory process and the central

role of covenant for the Fourth Evangelist. Also incorporating recent scholarship that suggests the evangelist understood himself to be writing Scripture based upon fulfillment language present in summary statements across the Gospel, and demonstrating a relationship between the Fourth Gospel and ancient drama that renders speech as action, this work attempts to construct a new paradigm for reading John against the background of the Old Testament covenant metaphor. The claim is twofold: the Johannine story of Jesus Christ is a carefully crafted literary treatise theologically underpinned by discourse on covenant and Scripture, and the Fourth Evangelist provides catechesis to a believing community on the nature of its faith in the God of Israel's

ongoing covenant with the created order. By grasping the theological fabric of the evangelist, the richness of the dialogue and imagery of his Gospel is allowed to have its full voice in terms of covenant fulfillment and the ongoing commitment of God to a believing people.

Re-reading the Gospel of Mark Amidst Loss and Trauma Maia Kotrosits 2013-10-16 Examining contemporary films, sculptures, and graphic novels influenced by the Gospel of Mark, Hal Taussig and Maia Kotrosits break new ground in ways of understanding traditional religious texts. The authors avoid traditional dogmatic assumptions, and use the Gospel of

Mark as a resource for coping and healing.

Gospel J. D. Greear 2011-10-01 Could the gospel be lost in evangelical churches? In this book, J.D. Greear shows how moralism and legalism have often eclipsed the gospel, even in conservative churches. Gospel cuts through the superficiality of religion and reacquaints you with the revolutionary truth of God's gracious acceptance of us in Christ. The gospel is the power of God, and the only true source of joy, freedom, radical generosity, and audacious faith. The gospel produces in us what religion never could: a heart that desires God. The book's core is a "gospel prayer" by which you can saturate yourself in the gospel daily. Dwelling on the gospel will release in you new depths of passion

for God and take you to new heights of obedience to Him. Gospel gives you an applicable, exciting vision of how God will use you to bring His healing to the world.

**The Rest of the Gospel** Dan Stone 2014-04-01 "Do I have life 'more abundant'?" That's a question millions of Christians have asked down through the ages. Dan Stone asked that question during a time of spiritual frustration in his own life and God answered by showing Dan he had been living only a part of the gospel message. Dan's search led him to discover the truth of "Christ in you" as "the rest of the gospel" that most Christians overlook. Readers who are hungry for a deeper experience with God will resonate with Dan's discovery of "the rest of the gospel," which is indeed rest for

everyone who is willing to finally let go and let God.

*The Liberated Gospel* Gilbert

Bilezikian 2010-05-01 It is generally agreed that Mark's Gospel was the first to have been written and that the Markan narrative created a literary form that inspired Matthew, Luke, and to a lesser extent, John to follow suit with the writing of their own gospels. But where did Mark go to find a framework that would shape his story? This question has been debated for more than two centuries. Several theories have been propounded but none without sufficient evidence to gain broad acceptance. It is the thesis of this book that Mark drew on the Greek tragedy, the most suitable literary genre of his time, to organize the oral and written traditions that he had collected. The

Greek tragic genre had been created with the works of the great masters of the Fifth Century BC, and later, had been codified by Aristotle. The extraordinary points of congruence between the form of the Gospel and the canons of Greek drama are carefully explored in the *Liberated Gospel*. The compelling conclusion is that there is a relation of dependency whereas Mark used the form of Greek tragedy as a template without compromising the integrity of the story. As the title of the book suggests, the use of ancient tragedy by Mark served also another purpose. The Gospel was being written at a time during the early history of the church when its Judaistic faction attempted to impose the requirements of the Mosaic law on Gentile believers (as attested by Galatians

and the Council of Jerusalem). By telling the very Jewish but universally relevant story of Jesus in the mode of the supreme Gentile literary genre of antiquity, Mark was proclaiming the manifesto that the gospel of Christ was not the exclusive property of a narrow ethnic group but that it belonged to all humanity.

*External Influences on English* D. Gary Miller 2012-08-02 This book provides the fullest account ever published of the external influences on English during the first thousand years of its formation. In doing so it makes profound contributions to the history of English and of western culture more generally. English is a Germanic language but altogether different from the other languages of

that family. Professor Miller shows how and why the Anglo-Saxons began to borrow and adapt words from Latin and Greek. He provides detailed case studies of the processes by which several hundred of them entered English. He also considers why several centuries later the process of importation was renewed and accelerated. He describes the effects of English contacts with the Celts, Vikings, and French, and the ways in which these altered the language's morphological and syntactic structure. He shows how loanwords from French, for example, not only increased the richness of English derivation but resulted in a complex competition between native and borrowed suffixes. Gary Miller combines historical, cultural, and linguistic perspectives. His

scholarly, readable, and always fascinating account will be of enduring value to everyone interested in the history of English.

**The Gospel of Matthew** R. T. France  
2007-07-11 "It is a special pleasure to introduce R T (Dick) France's commentary to the pastoral and scholarly community, who should find it a truly exceptional - and helpful - volume." So says Gordon Fee in his preface to this work. France's masterful commentary on Matthew focuses on exegesis of Matthew's text as it stands rather than on the prehistory of the material or details of Synoptic comparison. It is concerned throughout with what Matthew himself meant to convey about Jesus and how he set about doing so within the cultural and historical context of first-century Palestine.

Amid the wide array of Matthew commentaries available today, France's world-class stature, his clear focus on Matthew and Jesus, his careful methodology, and his user-friendly style promise to make this volume an enduring standard for years to come.

*The Rest of the Gospel When the Partial Gospel Has Worn You Out* Sam Gambina 2011-03-16  
David Gregory Writes The Rest of the Gospel project: a comprehensive leader's and study guide. Meticulous in its truthfulness to the original book, and uplifting and thought provoking in its content, this guide will be an invaluable resource both for personal and group study. So many readers have testified that The Rest of the Gospel has opened their eyes to see for the first time the reality

of the abundant life that Jesus promised. It has been so heartening to hear from people who, after struggling with the Christian life for so many years, have finally entered into Christ's rest.

*The Gospel of Mark* Francis J. SDB Moloney 2012-05-01 The Gospel of Mark, addressed to an early Christian community perplexed by failure and suffering, presents Jesus as suffering Messiah and Son of God. Recognizing that failure and suffering continue to perplex Christians today, world-renowned New Testament scholar and theologian Francis Moloney marries the rich contributions of traditional historical scholarship with the contemporary approach to the Gospels as narrative. Now in paperback, this commentary combines the highest-level

scholarship with pastoral sensitivity. It offers an accessible and thoughtful reading of Mark's narrative to bring the Gospel's story to life for contemporary readers.

**That You Might Believe - Study on the Gospel of John** Robert L. Deffinbaugh 2002 There are certain books of the Bible that just seem to stand out and the Gospel of John is surely one such book. It is frequently the first book of the Bible we encourage non-

Christians to read in the hope that its message will lead them to faith in Christ. After all, that is the purpose of the book. See John 20:31. For Christians, the Gospel of John is a source of much truth about our Lord and the Gospel. But it is much more than that. It is an opportunity for us to follow Him as we read, and to identify with the disciples as their knowledge of Him continues to expand. It is our opportunity to get to know the heart of the Savior, and to fellowship with Him through His Word. If men of old found their hearts set on fire as they listened to Him teach in person (Luke 24:32), so we will find our hearts warmed as we seek to listen to Him through this Gospel. I challenge you to join me in making the Gospel of John the subject of your study.

May God use it to help you see and serve Jesus Christ as the Lamb of God, who takes away the sin of the world (John 1:29).
